

# Sports Day

Our Sports Day will be held, weather permitting, this Thursday 17<sup>th</sup> June.

Despite updated guidance and restrictions with regards to gathering outdoors, we would ask that parents **do not attend** sports day this year.

Can you please make sure your child has suncream, a sunhat and a bottle of water with them. They may wear shorts but must have their school polo top and jumper with them.

The day will begin with The Slow Bicycle Races for P4 - P7.

Children are asked to bring bicycles and helmets to school for this race.

The slow bicycle race will be followed by the usual events for P1 - P7:

- Sprint Races
- Egg and Spoon Races
- Sack Races

We hope to revert back to our normal family friendly Sports Day next year.

Thank you for your understanding and support.
