Active Travel Week Monday 27th - Thursday 30th September.

We will be encouraging all of our children to travel actively to school next week. This can involve walking, cycling or scooting to school. Active travel is a great way for the children to stay active, increase fitness levels, improve wellbeing, socialise with their peers and reduce pollution. Children coming to school on bikes or scooters should wear a helmet and walk from the school gate to the shelter. So we look forward to seeing the children travelling actively to school next week and hopefully in the months ahead too!

Term 1 Milk The final milk number has been given to Dale Farm. There are 42 children taking milk this term.

Recycling - Cash for Old Clothes The last day for collection is Tuesday 26th October.

The money raised will go towards school funds. Please tell your neighbours who may not have children at the school, about the collection. You can put in clothes, shoes, handbags, curtains etc. but no pillows or duvets. Please place your black bin bags into the store to the right of the school kitchen, during school hours (9am-3pm), the door will be open. Cash for Old Clothes is a great fundraiser for the school as well as giving you a chance to clear out. Many thanks for your support.

Health & Safety At the start of the year, we always encourage parents to be particularly vigilant with regard to children's hair. We would ask that the girls have their hair up or tied back. It is good practice to check your child's hair on a regular basis. Should you feel your child needs treatment, there are various products available in the pharmacies.

Antrim Senior and Minor Camogie Visit Players from the Antrim senior and minor camogie teams, who won their respective championships over the past number of weeks, will be visiting our school on Friday 24th September (tomorrow). All children are encouraged to wear Antrim colours of saffron and/or white, and they will not be required to wear their school uniform.
