ParentPay Can we ask parents to keep a weekly check on their accounts and pay for your meals and snacks at the beginning or end of each week. Some accounts are running into large amounts of debt, and it is affecting the kitchen stock take each week. We do not want to be messaging parents each week about this.

Website Private Messages Please check that you have your app set to receive these messages. A substantial amount of messages remain unread by parents. If you are not receiving any messages, please contact the school office.

Adverse Weather Conditions / Exceptional Closures The school continues to monitor the weather conditions, particularly with the reports of strike action by the gritter drivers over the next week beginning on Thursday at 12:01am. We will continue to make every effort to keep the school open during adverse weather conditions, however, the safety of our staff and families travelling to our school remains paramount at all times. Updates will be provided through the school website. We thank you for your ongoing support of all school decisions.
